LOG FILES

We use IP addresses to analyze trends, administer our site and servers, track access, and gather broad demographic information for aggregate use. IP addresses are not linked to personally identifiable information. It is possible that personal information about a customer may be included in the log files due to the normal functions of IP addresses and Web browsing.

COOKIES

We use different cookies on our website to make it as useful to you as possible. Cookies are small text files that we put on your computer or mobile device to tell us what you want to use on our site but they do not tell us who you are.

Here are the cookies that we use on our site:

Essential cookies

We use a cookie to remember your login for you and what you've put in the shop cart. Also, we set a cookie to help you choose a preferred font size for using the site. These cookies we consider essential for the operation of our website.

External web services

We use an external live chat service (using cookies to remember your session name) to deliver real time support to you should you want to.

Payment processing

To process payments online, we require the billing address for the credit card used and our external

payment provider, PayPal/WorldPay, requires your credit card details.

We assume you are happy with this usage of cookies on this website. If you are not happy, then you should either not use this site, or delete the cookies, or browse the site using your browser's anonymous usage setting (named "Incognito" in Chrome, "InPrivate" for Internet Explorer, "Private Browsing" in Firefox and Safari etc.).

Please remember that if you choose to delete the cookies or use the browser anonymously, you may find that certain sections of this website do not work properly.

OPT OUT

By default, customers do receive any system updates, such as the newsletters, invoices, and service email notifications. Any customer who voluntarily receives these updates may unsubscribe at any time. Customers may not opt out of possibly receiving important system notifications, in the rare event that such notification would be necessary.

COMPLIANCE WITH LAWS AND LAW ENFORCEMENT

DATACENTER.BG LLC cooperates with government and law enforcement officials to enforce and comply with the law. We will disclose any information about Users upon valid request by government or law officials as we, in our sole discretion, believe necessary or appropriate to respond to claims and legal process (including without limitation subpoenas), to protect your property and rights, or the property and rights of a third party, to protect the safety of the public or any person, or stop activity we consider illegal or unethical.

CHANGES TO PRIVACY POLICY

Any changes to our Privacy Policy will be placed here and will supersede this version of our Policy. We will take reasonable steps to draw your attention to any changes in our Policy. However, to be on the safe side, we suggest that you read this document each time you use the website to ensure that it still meets with your approval.
